hell's kitchen

あらすじ

Before Moriya Satoru, an ordinary junior high student who had never held a kitchen knife before, appeared a chef of hell – Dogma.
Dogma's aim is to obtain Hell's ultimate ingredient, The Soul of a True Chef. To accomplish his task, Satoru entered Shokusen's cooking department, an institution to train famous future chefs. Under Dogma's violent guidance, and with the help of Elle of the giant wok, Tachibana the spice magician, knife maiden Sagane, and a few rivals, Satoru is slowly but surely evolving into a delicious true chef!

The one who possessed Satoru for the sake of tasting "The Soul of a True Chef," deciding to mould him from a talentless individual into a true chef. He can't be seen by anyone but Satoru.

This isn't food coloring...
NOT SLICING UP YOUR HANDS IS A MAJOR STEP FORWARD

YOU DID WELL TODAY
SAKAKI-SENSEI!
SAKAKI-SENSEI IS JUST LOUSY AT GIVING COMPLIMENTS
Hm?
KUSA-SENSEI!!
IT'S ALL RIGHT
YOU'VE CERTAINLY IMPROVED.
YOU HAVE SPLENDID POWERS OF CONCENTRATION.
EVEN WHEN EVERYONE AROUND YOU IS RUSHING AND PANICKING, YOU CARRY ON AT YOUR OWN PACE FROM THE BEGINNING TO THE END
THAT IS A TALENT!
Basically, he zones out...

YOU ARE MAKING PROGRESS, MORIYA-KUN.
KEEP UP THE GOOD WORK!
Yes.!!
And most importantly, he didn't act up.
ミーン ミーン

THAT'S NOT SOMETHING TO SMILE ABOUT!!
What are you grinning about?
Did you run across a headless corpse on the way home?
Hehe
YOU... NEVER PRAISE ME, NO MATTER HOW HARD I WORK.
It would be a serious problem if you didn't improve...
Thanks to that I have no free time.
You were praised?
Of course you were, you practice by yourself 6 hours every day
Eh...
Tasty roasted sweet potatoes!!
I always praise you, don't I?

A FRYING PAN...
What is this?
YOU SAID IT SO MATTER-OF-FACTLY THAT I HAD TO THINK FOR A WHILE.
That was a surprise.

Ah, it won't go back.
Satoru
He's a sadist!
Thank you, Dogma-sama!
Dogma-sama, eat me!
EAT ME!
EAT ME!
That's odd...
People are normally so happy that they cry tears of blood when I do this...

Eh...
Do you cook for the sake of being praised?
That's right. It started when Dogma strong-armed me into cooking that hamburger, but... I was so happy when I saw Hakka eating so joyfully. Then I entered this school, and met a lot of people.
Cooking
COOKING IS FUN,
AND BEING PRAISED MAKES ME HAPPY...
ARE THOSE BAD REASONS?

He's already begun to make preparations!!
I need to find some liquor that would go well with the Soul of a True Chef...
I'm going back to Hell for a bit.

SO I THOUGHT IT WOULD... WARM EVERYONE UP...
TODAY IS COLD...
WHY DID YA MAKE SOMETHING LIKE THIS?
I'M NOT LIKE THEM FOLKS WHO USE WESTERN "DIETETICS"
I COOK BY THE RULES LAID DOWN BY TRADITIONAL CHINESE MEDICINE.
DAY AND NIGHT..
MAN AND WOMAN,
LIFE AND DEATH..
AND FOOD IS NO EXCEPTION.
They state that everything in the universe can be divided into Yin and Yang, and achieving a perfect balance between the two is the essence of Chinese philosophy.

ALL INGREDIENTS ARE EITHER YIN (COLD)
YANG (HOT)
OR BOTH.
YA FOLLOW?
ALL THE INGREDIENTS IN THIS ARE YIN,
WHICH STEAL THE BODY'S HEAT, COOLING IT DOWN.
SO YA AIN'T JUST OFF TARGET...

IF KUMOI-SENPAI WAS A TRUE CHEF, YOU WOULD HAVE BEEN EATEN BY DOGMA.
WHAT ARE YOU SAYING...?
OY, DON'T TALK BACK TO KUMOI, HE'LL KILL YOU!!
Ah?
Your homework
is to clearly state exactly what cooking means to you.
NAO-SAN GAVE HER ALL TO GROW THESE DELICIOUS VEGETABLES.

THERE'S NO WAY ANYONE WHO THROWS GOOD FOOD AROUND LIKE THIS COULD BE A TRUE CHEF!!

WHEN THE STOMACH IS WEAK, IT BECOMES MORE DIFFICULT FOR IT TO ABSORB IRON, AND VITAMIN B12
OF THE FIVE VISCERA, THE DIGESTIVE ORGANS LIKE THE STOMACH AND INTESTINES ARE THE ONLY ONES THAT AFFECT THE SPLEEN. THUS, WE CAN USE "EARTHY" FOODS TO REMEDY THE PROBLEM
OYSTERS, WHICH CONTAIN HIGH LEVELS OF BOTH, ARE CONSIDERED BOTH "EARTH" AND "YIN" FOOD
USING SEA BREAM, WHICH IS BOTH "EARTH" AND YANG" BALANCES THE YIN AND YANG, WHILE PROVIDING A DOSE OF NIACIN, WHICH IS GOOD FOR THE STOMACH

!?
Y-YOU TELLING ME...
THAT ISN'T MEAT?!

IT'S "IMITATION MEAT"...
IT'S JUST LIKE THE VEGETARIAN DIET OF BUDDHIST MONKS.
THE PRIMARY INGREDIENT IS FLOUR. THE GIST OF IT IS, ADD IN SALT WATER AND KNEAD IT LIKE YOU WOULD WHEAT STARCH.
TO CREATE A MEAT-LIKE COLOR AND FLAVOR, WE ADDED PIG'S BLOOD.
MEAT IS BASICALLY MADE UP OF MUSCLE FIBERS. TO REPLICATE THAT TEXTURE, WE MIXED IN THE ADDUCTOR MUSCLE OF SCALLOPS, WHICH ALSO ADDS FLAVOR.
HIGH IN PROTEIN, LOW IN SUGAR.
IT'S THE CLOSEST THING TO MEAT YOU CAN GET, WHILE STILL BEING HEALTHY.
I DIDN'T REALLY UNDERSTAND BUT THAT'S AMAZING!!
BOSS, I'M SORRY IT'S NOT REAL MEAT...
HMPH. I'M A TRUE MEAT LOVER...
I KNEW THAT FROM THE MOMENT I TASTED THIS.

REJECTED PAGE RELEASED TO THE PUBLIC!!
LET'S CRUSH HIM!!

T/N HIKI IS A TERM OFTEN USED IN MANGA AND ANIME FROM THE WORD "MAKUBIKI" MEANING TO CLOSE THE CURTAINS

This page is from the magazine publication. It was the last picture in the 11e plat, and the "hiki" leading to the next chapter.

At this stage, I had meant for Kumoi-san to be a rather violent, gung-ho character, always picking fights with Satoru... but since the manga has turned out the way it has, this page was no longer appropriate, and therefore rejected.

I often make sudden changes when coming up with stories, so I apologize to everyone who works with me, especially Nishimura-sensei for being such a nuisance.

MAKING MANGA IS LIKE JAZZ...

AAH
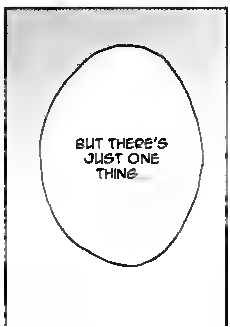
Even if Dogma dies, he had it coming.
Yes...!! If Dogma dies here...
AAH
Huh!?
Release the "dark side" inside you!!!
The days of humiliation!!!
!??
All the pain!!
All the wickedness !!
Remember everything he's done to you!!!
Do your best to think of all the bad things!
Fucking bastard
I'm going to be free!
Free ....!!

SATORU
...
YOU WANT ME TO EAT YOU THAT BADLY?
NO WAY!
I DON'T WANT TO BE EATEN AT ALL!!
YOU'RE A NUISANCE!

DOGMA, YOU'RE MOODY, AND ALWAYS CHANGING YOUR MIND
YOU'RE SO SENSITIVE ABOUT THE STRANGEST THINGS,
YOU NEVER LISTEN TO ANYONE,
YOU LOVE MAKING OTHER PEOPLE SUFFER.
YOU TRAMPLE ON PEOPLE,
YOU HAVE BAD TASTE,
YOU HIT PEOPLE,
AND BREAK THEIR MOBILE PHONES!
AND A TERRIBLE PERSONALITY

YOU'RE SUCH A NUISANCE!
I WANT YOU TO DISAPPEAR!
I REALLY WISH YOU'D JUST DISAPPEAR...



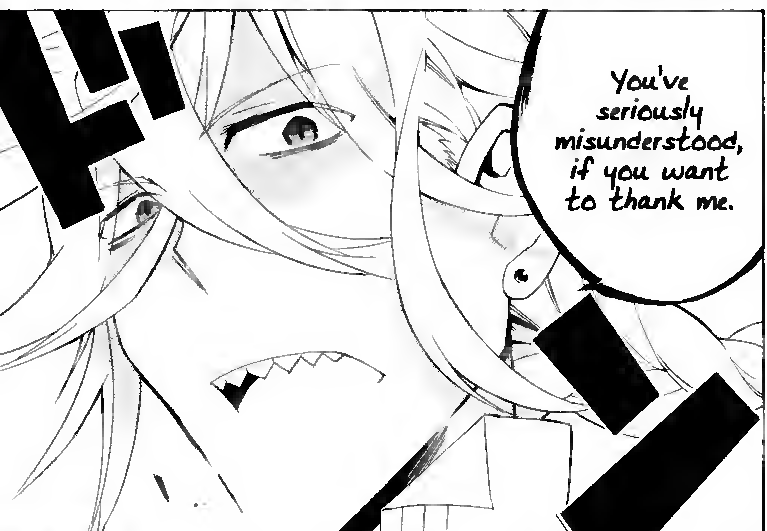
BUT THERE'S JUST ONE THING...

YOU TAUGHT ME HOW TO COOK WHEN I HAD NOTHING, AND WELL...
FOR THAT, I AM GLAD.

AND WITHOUT YOU, DOGMA, I NEVER WOULD'VE MADE ALL THESE FRIENDS WHO'D COOK FOR ME...
I JUST THOUGHT IT WAS WRONG TO LET YOU DIE WITHOUT HAVING THANKED YOU...
ガシ
I SEE...
I'VE ALSO BEEN THINKING...
……!?

DON'T STAND ABOVE ME.
Get down!!
GYAAAAA!!
……?
あ
あぁ

SHOOTING YOUR MOUTH OFF LIKE THAT...
BE QUIET, AND LISTEN.
WHAT'RE YOU DOING? WHAT'RE YOU DOING? WHAT'RE YOU DOING?



You've seriously misunderstood, if you want to thank me.

while the potion still had its effect
Because you couldn't read between the lines... Etc. etc.
I would never have died here in the first place.
I was only playing human. Think about it.
Oh... The potion's worn off.
Are you stupid!?
what is one supposed to do when the pig he intends to eat thanks him for feeding it well?

I wasted my time...
Taking him seriously!!
Wow!! Clap clap
I hate Dojima.

SO WHO WAS THAT FOREIGNER AFTER ALL?
WHO KNOWS...
HE JUST KINDA DISAPPEARED WHEN I WASN'T LOOKING

Like an old wound itching...
BUT IT WAS WEIRD, IT DIDN'T FEEL LIKE THE FIRST TIME I'D SEEN HIM..
SAME HERE

Yes ...
A terrifying side effect.
There's room for improvement.
IT WASN'T A SIDE EFFECT, IT WAS JUST HUNGER!!
WAIT, YOU INTEND TO USE THAT AGAIN?!
Of course.
It was originally planned for use with the Shokusen Amusement Revamp plan.
STOP IT!!
IT SEEMS THAT LIFE WILL ONLY GET HARDER FROM NOW ON.

APOLOGIES
THE FAMOUS OZU SPECIALTY, SHIGURE
Err... I've heard through the grapevine that there are people who took the preview that appeared at the end of volume 3 seriously, and were actually looking forward to "The Department of Applied Biological Sciences" chapter... If you were one of those people, I'm truly sorry.
I AM TRULY SORRY !!!!
I mean, you should've guessed, right? Morisaki dies, and it wasn't even about cooking anymore. I mean, the say the Chimera comes into the story, you know it's heading straight to the battle manga road.
That was Tendo getting carried away
WOULDN'T THIS BE REALLY FUN?!

It's too late for that
I'M SORRY FOR BEING SO HALF-BAKED!

This time, the preview is for real.
I will make it into the most chaotic volume to date. Please have patience
After I've worked on the plot more thoroughly, I will definitely bring The Department of Applied Biological Sciences into the story
I have a complaint for Tendo Gumi's desk
Nonetheless, there was some truth to that fake preview.
